ENVIRONMENTAL COMPLIANCE CERTIFICATE

(Issued under Presidential Decree 1586)

ECC-R11-1404-0071

THIS IS TO CERTIFY THAT PROPONENT, **CITY GOVERNMENT OF PANABO**, is granted this Environmental Compliance Certificate (ECC) for the proposed **Rehabilitation of Little Panay-Katipunan-Kasilak Farm to Market Road Project** covering Brgys. Little Panay, Katipunan and Kasilak, all in Panabo City, Davao del Norte by the Department of Environment and Natural Resources (DENR), through the Environmental Management Bureau, Region XI.

SUBJECT ONLY to the conditions and restrictions set-out in this ECC, and in the attached document labeled as Annex A, B and C.

This Certificate is issued with the following details;

PROJECT DESCRIPTION

The ECC covers for the proposed rehabilitation of 8.002 Kms. Rehabilitation of Little Panay-Katipunan-Kasilak Farm to Market Road starting Purok 3 to Purok 5 of Brgy. Little Panay passing Purok 4 to San Miguel of Brgy. Katipunan to Purok 3B, Brgy. Kasilak, all in Panabo City, Davao del Norte.

This certification is issued in compliance to the requirements of Presidential Decree No. 1586, in accordance to Department Administrative Order No. 2003-30, EMB Director Memorandum dated 22 December 2006, EMB Memorandum Circular No. 001 Series of 2007, EMB Memorandum dated February 12, 2007 and DENR Memorandum Circular No. 2007-08. The Bureau, however, is not precluded from reevaluating, adding, removing, and correcting any deficiency or error that may be found after issuance of this Certificate.

Given this 05 MAY 2014, at Davao City Philippines.

I. CONDITIONS

ENVIRONMENTAL MANAGEMENT

The proponent shall strictly implement the following mitigating, enhancing and rehabilitating measures:

1. That the mitigating measures presented in the Initial Environmental Examination (IEE) Checklist and other form of mitigation and preventive measures be implemented throughout the operation to prevent/minimize negative environmental impacts;
2. That the Proponent shall ensure that the contractor/s follow the approved engineering design and standards for the construction of required structures including the observance of the various environmental management/protection measures;
3. That the proponent shall undertake **tree-planting activity** along the periphery and available areas within the project site to serve as buffer for dust, noise, improvement of aesthetics and in support of the national greening program of the government;

GENERAL CONDITIONS

*Further administrative conditions for the grant of this **Certificate** shall be strictly complied:*

4. That all permits and clearances shall be regularly secured from this Office, concerned national and local offices prior to the project implementation. Likewise, the operation of the project shall conform with the applicable provisions of the Implementing Rules & Regulations, Department Administrative Orders and Memorandum Circulars of the following:
 - 4.a. RA 6969 (Toxic Substances and Hazardous and Nuclear Wastes Control Act of 1990),
 - 4.b. RA 9003 (Act Providing for and Ecological Solid Waste Management Program),
 - 4.c. RA 9275 (Philippine Clean Water Act of 2004), and
 - 4.d. RA 8749 (Philippine Clean Air Act of 1999).
5. That hauling trucks should be covered with canvass to prevent debris from falling and prevent any untoward accident;
6. That any damage arising out from the project implementation shall be the responsibility of the Proponent, or contractor to pay just and reasonable compensation to the aggrieved parties;
7. That slope stabilization and erosion control measures shall be strictly effected throughout project implementation;
8. That as much as possible all road-related activities should be done during daytime in order not to disturb people in the neighborhood;
9. No other activities shall be undertaken other than what was stipulated in the IEE document. Should there be any expansion of the project beyond the project scope, installation or construction of other structures beyond those stated in the IEE document or any change in the activity or transfer of location shall be subjected to a new Environmental Impact Assessment;

Arto B. Alarcon

II. RESTRICTIONS

10. That the Proponent shall see to it that copy of this ECC shall be furnished to all agencies/offices concerned and Local Government Unit (LGU) concerned within one (1) month from receipt thereof. A certification shall be submitted by the Proponent to EMB XI that said copy has been delivered and duly stamped as received by the concerned agencies/offices;
11. In case of transfer of ownership of this project, these same conditions and restrictions shall apply and the transferee/transferor shall be required to notify the EMB Regional Office concerned within fifteen (15) days of such transfer of ownership;
12. That three (3) months prior to the abandonment, the Project Proponent shall notify this Office of such action and shall submit therewith their abandonment mitigation plan.

Non-compliance with any of the provisions of this certificate shall be sufficient cause for the suspension or cancellation of this Certificate and/or an imposition of a fine in an amount not to exceed **FIFTY THOUSAND (Php 50,000.00) PESOS** for every violation thereof, at the discretion of this Office pursuant to Section 9 of P.D. 1586.

PROJECT ASSESSMENT PLANNING TOOL

For the assistance of the Proponents and government agencies concerned in the management of the project and for better coordination in mitigation on the impact of the project on its surrounding areas and to the environment.

By way of recommendation, the following have been taken notice of by the undersigned and are forwarding these recommendations to the parties and authorities concerned for proper appreciation and action.

RECOMMENDATION TO THE CONCERN GOVERNMENT AGENCIES	Responsible Agency (Permitting, Approving and Monitoring Agencies)
1. Consider the projects need of sanitary facilities and safety concerns during the construction phase	CHO, DOLE and City Engineers Office
2. Traffic concerns	Panabo City Traffic Management Group
3. Structural Stability Permit	City Building Official
4. Solid Waste Management concerns	LGU-concerned-ENRO

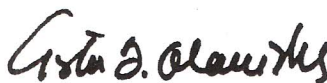

ENVIRONMENTAL PLANNING RECOMMENDATION FOR THE PROPONENT

The following are recommendations for the Proponent for the protection of the area and the affected environment. It is strongly recommended that the same be strictly complied by the Proponents.

1. Close monitoring of the project should be undertaken by the proponent to maintain a high level of safety and efficiency at all stages of the construction, and to immediately address any environmental hazard/change that may take place.
2. That appropriate measures shall be adopted to minimize dust and noise pollution associated with the site development.

For dissemination and proper action of the parties concerned.
