Subject: **Certificate of Environmental Compliance Commitment (ECC)**

Dear Mayor Acosta,

This refers to the ECC application of the Local Government Unit of Siay for the proposed upgrading/rehabilitation of Bagong Silang - Magsaysay farm to market road project to be located in Barangays Bagong Silang, Villagrancia and Magsaysay, Municipality of Siay, Province of Zamboanga Sibugay in Region IX.

After satisfying the requirements in the said application this Office has decided to grant an ECC to the above-mentioned project.

With the issuance of this ECC, you are expected to implement the measures presented in the Initial Environmental Examination (IEE) intended to protect and mitigate the project's adverse impacts on community health, welfare and the environment. Environmental considerations shall be incorporated in all phases and aspects of the project. You may proceed with project implementation after securing all the necessary permits from other pertinent government agencies. This Office will be monitoring the project periodically to ensure your compliance with stipulations cited in the attached ECC.

Please be guided accordingly.

Very truly yours,

ALAN B. DE GALA
OIC, Regional Director

ENVIRONMENTAL COMPLIANCE COMMITMENT
(Environmental Compliance Certificate)
(Issued under Presidential Decree 1586)
ECC No. ECC-R09-1106-0070

THIS IS TO CERTIFY THAT the Local Government Unit (LGU) of Siay, represented by its Municipal Mayor Hon. Julius T. Acosta, Sr., is granted this ECC, for the upgrading/rehabilitation of Bagong Silang - Magsaysay farm to market road project to be located in Barangays Bagong Silang, Villagrancia and Magsaysay Municipality of Siay, Province of Zamboanga Sibugay, by the Department of Environment and Natural Resources (DENR), through the Environmental Management Bureau (EMB).

SUBJECT ONLY to the conditions and restrictions set-out in this ECC and in the attached document labeled as Annex A. EIARC Recommendations have been provided in Annex B as guidance to concerned government agencies and local government units for consideration in their decision making process.

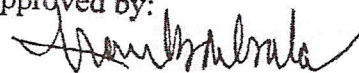

PROJECT DESCRIPTION

The ECC covers the proposed upgrading/rehabilitation of 6.96 kilometers Bagong Silang - Magsaysay farm to market road project to be located in Barangays Bagong Silang, Villagrancia and Magsaysay, Municipality of Siay, Province of Zamboanga Sibugay, Region IX.

This ECC is issued in compliance to the requirements of Presidential Decree No. 1586, in accordance to Department Administrative Order No. 2003-30. The Bureau, however, is not precluded from reevaluating, adding, removing, and correcting any deficiencies or errors that may be found to be inconsistent with the Revised Procedural Manual of DAO 2003-30 after issuance of this ECC.

Issued at Office of the Regional Director EMB-IX, Pastoriza Bldg., Datoc St., Gatas District, Pagadian City, Zamboanga del Sur, Region IX, this Jul 05 2011.

I. CONDITIONS**A. ENVIRONMENTAL MANAGEMENT and MONITORING PLAN (EMMoP)**

1. The proponent shall ensure that all commitments, appropriate mitigating/enhancement measures and monitoring requirements especially those contained in the EMMoP in the EIA Report, its modifications and additional information as approved by the EMB during the EIA Report review shall be instituted and strictly implemented throughout the project implementation.
2. Submit an Abandonment Plan to the EMB at least six (6) months prior to the project's abandonment. The plan shall include rehabilitation measures/clean-up, remediation of areas affected by the project, and proposed alternative projects in the area;
3. That disturbed areas such as cut slopes and furrow sites resulting from the road improvement shall be rehabilitated and vegetated to restore surface stability. As such, slope protection works and guardrails shall be installed.
4. Preservation of natural drainage, if practicable, shall be undertaken. If disturbed, a replacement drainage shall be constructed within two (2) months from the disturbance;

B. GENERAL CONDITIONS

1. This Certificate shall cover the construction of the 6.96 kilometers Bagong Silang – Magsaysay farm to market road project technically described as 7° 44' 31.2" N Latitude; 122° 54' 10.7" E Longitude of LGU Siay to be located in Barangays Bagong Silang, Villagracia and Magsaysay, Municipality of Siay, Province of Zamboanga Sibugay in Region IX;
2. That in case there will be damage to life and property brought by the project implementation and/the project proponent shall be liable and must pay just and reasonable compensation to the aggrieved parties.
3. The proponent shall set-up an Environmental Unit who shall handle the environmental aspects of the project which shall have the following responsibilities:
 - a. Monitoring requirements as defined under the EMP;
 - b. Monitor actual project impact vis-à-vis predicted impacts and management measures in the EMP;
 - c. Make recommendations for the revision of the EMP as necessary;
 - d. Ensure that post-assessment permits are in place;
 - e. Ensure that compliance monitoring report (CMR) shall be submitted to this Office on semi-annual frequency;
 - f. Ensure compliance to all the conditions and restrictions of the approved ECC.

II. RESTRICTIONS

1. In case of transfer of ownership of this project, these same conditions and restrictions shall apply and the transferee shall be required to notify the EMB within fifteen (15) days as regards to the transfer of ownership.

Pursuant to Section 9.0 of P.D. 1586, non-compliance with any of the provisions of this ECC shall be sufficient cause for its cancellation or suspension and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (Php 50,000.00) thereof.

O.R. No.: 7999394

Date: 06-27-2011

Processing Fee; Php 4,000.00

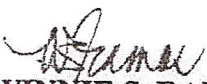

PROJECT ASSESSMENT PLANNING TOOL

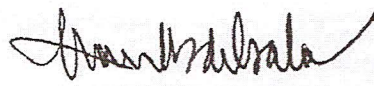

For the assistance of the Proponent, other DENR Divisions/Bureaus, other concerned government agencies and LGUs in the management of the project and for better coordination in mitigation on the impact of the project on its surrounding areas and to the environment.

By way of recommendation, the following have been taken notice of by the EIA Review Committee and are forwarding these recommendations to the parties and authorities concerned for proper appreciation and action, and integration into their decision-making process.

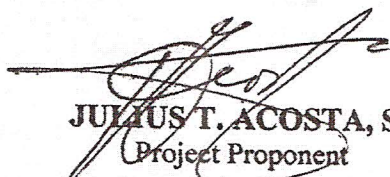

A. REQUIREMENTS TO CONCERNED GOVERNMENT AGENCIES/LGUS	CONCERNED PERMITTING, DECIDING, MONITORING ENTITIES
1. Sanitary toilet facilities should be provided to the construction workers, and any waste should be properly disposed so as not to cause nuisance to the immediate environment.	DOLE
2. Need for the provision of a segregation, collection, recycling and disposal mechanism for solid waste.	LGU Concerned
3. Tree Cutting Permit shall be secured in case trees will be affected during project operation.	DENR, CENRO concerned
B. ENVIRONMENTAL PLANNING RECOMMENDATIONS FOR THE PROPONENT	
1. Close monitoring of the project should be undertaken by the proponent to maintain a high level of safety and efficiency at all stages of the construction, and to immediately address any environmental hazard/change that may take place.	
2. Regular watering of unpaved roads and exposed soils/ground to prevent dust generation.	
3. Remove soils/mud from tires of trucks and equipment before leaving the project area.	
4. Hauling trucks should be covered with canvass.	

For dissemination and proper action of the parties concerned.
