Regional Director

I. CONDITIONS

ENVIRONMENTAL MANAGEMENT

The proponent shall strictly implement the following mitigating enhancement, and rehabilitating measures:

1. Measures to minimize noise, dust, soil erosion, excessive run-off and surface water siltation shall be instituted,
2. Safety and road sign shall be posted or installed at an appropriate distance before and after the portion where the activity is in progress. Construction works shall be undertaken without obstructing vehicular traffic flow as much as possible;
3. Spoils and excavated soil shall be properly contained and disposed taking environmental safeguards into considerations;
4. **Strictly no tree cutting** shall be done in the project area, should there be any tree cutting a corresponding permit shall be secured from the DENR;

GENERAL CONDITIONS

Further administrative conditions for the grant of this certificate shall be strictly complied:

5. The local residents shall be prioritized for employment;
6. In lieu of the Environmental Guarantee Fund (EGF), the proponent shall ensure that the Contractor's All Risk Insurance (CARI) is provided to cover expenses for the indemnification/compensation of damage to life and property that may caused by the implementation of the projects and abandonment of the project facilities related in the prevention of possible negative impacts;
7. The DENR-EMB-10 and/or multi-partite team can initiate an on-the-spot monitoring and inspection anytime without prior notice;
8. Installation of traffic signs and other measures to avoid traffic congestion shall be instituted.
9. Owners of affected lots, houses and structures due to right-of-way shall be justly compensated prior to project implementation;

II. RESTRICTIONS

The proponent is strictly subject to the following restrictions:

10. No other activities should be undertaken other than what was stipulated in the IEE document. Should there be an expansion of the project beyond the project description, or any change in the activity beyond those stated in the IEE document; shall be made subject to a new Environmental Impact Assessment;

11. All other permits from the concerned government agencies shall be secured prior to project implementation wherein copies of which shall be submitted to this Office within fifteen (15) days upon receipt thereof, otherwise this ECC shall be considered null and void.

Non-compliance with any of the provisions of this certificate shall be a sufficient cause for the cancellation or suspension of this certificate and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (50,000.00) for every violation thereof.
