

- f. **Step 6:** If no understanding or amicable solution is reached, or if no decision or mitigation measure is received from the relevant LGU Council within 15 days after the registration of complaint, the APs/Ahs can appeal to the Grievance Point Persons of PLGU- Sarangani or RPCO

B. Physical Cultural Resources

There are no structures, monuments or physical cultural resources that will be affected by the subproject. The project site is not part of an important landscape feature. Moreover, it is not a potential archaeological site. However, if during the implementation of the project there is a chance finds procedure for the sub projects should be observed as to wit:

1. Upon discovery of artifacts, bones or other objects of interests, all digging, drilling and other earthmoving activities within the radius of 10 meters from the discovery point shall be immediately suspended. The highest ranking officer of the contractor present at the site must impose the suspension of activities and immediately inform the LGU Contract Administrator or if not available, the highest ranking LGU officer available.
2. The highest ranking officer of the contractor at the construction site with or without the LGU Contract Administrator or LGU representative shall immediately take photographs of the artifacts, bones or other objects of interest. The photographs must be taken at close-ups and at distant range or at wide-shots placing the objects at the approximately the same point and position where they were found and showing other markers.
3. The highest ranking officer of the contractor at the site must ensure that the site is secured and any artifacts, bones or other objects of interest already removed from the site must also be placed in a secured place or container.
4. The LGU Contract Administrator and/or highest ranking Officer from the LGU shall immediately report the discovery simultaneously to: (A) the Regional Project Coordination Office (RPCO) Social and Environmental Safeguards (SES) Officer and Engineer or if not available, the highest available ranking Officer of the RPCO; and, consistent with RA 8492, (b) to the National Museum.

C. IPM-FFS or KASAKALIKASAN

The Municipality has already undergone season long training (14-16 weeks) on integrated Pest Management, Farmers Schools (IPM-FFS) or Kasaganahan ng Sakahan at Kalikasan (KASAKALIKASAN) through the Department of Agriculture Regional Field Unit IX. It aims to reduce the risk of pesticide induced pest outbreak, health hazard to farmers and consumers and environmental damage, training on proper pesticide use, handling and storage, raise and stabilize farm incomes and strengthen farmer organizations and farmers managerial capability.
