ENVIRONMENTAL COMPLIANCE CERTIFICATE

(Issued under Presidential Decree 1586)

ECC-RO5-1503-0062

This is to certify that

PROVINCIAL GOVERNMENT OF CAMARINES SUR

Name of Proponent

Cadlan, Pili, Camarines Sur

Proponent's Business Address

is hereby granted this Environmental Compliance Certificate (ECC), for the

UPGRADING OF CUCO- BAGONG SILANG FARM TO MARKET ROAD

Name of Proposed Project

Brgys. Cuco to Bagong Silang, Pasacao, Camarines Sur

Project Location

by the Department of Environment and Natural Resources (DENR), through the Environmental Management Bureau (EMB), Region V.

[SUBJECT ONLY to the conditions and restrictions set-out in this ECC and in the attached document labeled as Annex A. EIAMD Recommendations have been provided in Annex B as guidance to concerned government agencies and local government units for consideration in their decision making process.]

PROJECT DESCRIPTION

The ECC covers the Upgrading of Cuco- Bagong Silang Farm to Market covering a total length of 8.02 kilometers located at Brgys. Cuco to Bagong Silang in the Municipality of Pasacao, Camarines Sur.

Upgrading of Road (6,328m x 4m PCCP, 127m x 4m Reblocking and Improvement of 1,565m x 6.2m Road Shouldering); Drainage Facilities (4-1 Line by 7m x 0.910m diameter RCPC; 1-3 Lines by 17m x 0.910m diameter RCPC); Triangular Road Warning Signs (6 Units).

This ECC is issued pursuant to the provisions of Presidential Decree No. 1586, in accordance to Department Administrative Order No. 2003-30. Non-compliance with any of the provisions of this ECC shall be sufficient cause for its cancellation or suspension and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (Php 50,000.00) for every violation thereof. The Bureau, however, is not precluded from reevaluating, adding, removing, and correcting any deficiencies or errors that may be found to be inconsistent with the Revised Procedural Manual of DAO 2003-30 after issuance of this ECC.

Issued at DENR-Environmental Management Bureau Region V, Rawis, Legazpi City this _____ day of

APR 06 2015, 2015

HENRY A. LOPEZ
Chief, EIAM Division

Annex A

I. CONDITIONS

A. ENVIRONMENTAL MANAGEMENT and MONITORING PLAN (EMMoP)

The proponent shall strictly implement the following mitigating, enhancement, and rehabilitating measures:

1. The proponent shall ensure that all commitments, appropriate mitigating/enhancement measures and monitoring requirements especially those contained in the EMMoP in the EIA Report, its modifications and additional information as approved by the EMB during the EIA Report review shall be instituted and strictly implemented throughout the project implementation;
2. That all solid waste materials generated during construction and operation shall be disposed properly on an appropriate disposal area;
3. Preventive measures such as regular watering of exposed soil/ground and covering with canvass or any equivalent material of haul trucks to avoid increase in dust generation due to construction activities shall be adopted;
4. That no trees shall be cut without securing first a permit to concerned government agencies;
5. That an effective drainage shall be provided so as to avoid flooding within the project area and its immediate environment;
6. That appropriate slope stabilization measures along critical slopes shall be provided to prevent slope failures and/or soil erosion;
7. That adequate traffic safety and warning signs shall be provided along working area to prevent slope failures and/or soil erosion;
8. Submit an Abandonment Plan to the EMB V at least 30 days prior to the project's abandonment. The plan shall include rehabilitation measures/clean-up, remediation of areas affected by the project and proposed alternative projects in the area.

B. GENERAL CONDITIONS

9. The operations shall conform with the applicable provisions of RA 9003 (Act Providing for an Ecological Solid Waste Management Program), RA 9275 (Philippine Clean Water Act of 2004), and RA 8749 (Philippine Clean Air Act of 1999);
10. That should any damage to property or life resulting from the project operation, the proponent shall pay just and reasonable compensation to aggrieved parties;
11. That qualified local residents shall be given preference in employment in the project;
12. That all damages or adverse impacts caused to the environment resulting from the implementation of the project due to non-adoption of appropriate or adequate mitigating measures shall be the sole responsibility or liability of the proponent;

ECC No.	:	ECC-R05-1503-0062
Project Name	:	Upgrading of Cuco- Bagong Silang Farm To Market Road
Proponent Name	:	Provincial Government of Camarines Sur

13. That clearances/permits/ licenses expressly required by other government agencies/instrumentalities must be secured/complied with before the start of project implementation/operation;
15. That the project proponent shall allow EMB V personnel with proper identification card and travel/mission order to conduct inspection/monitoring in the entire premises without prior notice to oversee compliance to ECC conditions. Further, on-the-spot monitoring and inspection can be initiated by the DENR anytime in coordination with concerned parties;

II. RESTRICTIONS

The proponent is strictly subject to the following restrictions:

16. No other activities should be undertaken other than what was stipulated in the IEE document. Should there be an expansion of the project beyond the project description, construction of other structures beyond those stated in the IEE document; or any change in the activity, a request for an ECC amendment must be made prior to implementation on of any project expansion/modification.
17. In case of transfer of ownership of this project, these same conditions and restrictions shall apply and the transferee should notify this Office within fifteen (15) days as regards to the transfer of ownership.

Annex B

PROJECT ASSESSMENT PLANNING TOOL

For the assistance of the Proponent, other DENR Divisions/Bureaus, other concerned government agencies and LGUs in the management of the project and for better coordination in mitigation on the impact of the project on its surrounding areas and to the environment, by way of recommendation, the following have been taken notice of by the undersigned and are forwarding these recommendations to the parties and authorities concerned for proper appreciation and action, and integration into their decision-making process.

1. RECOMMENDATIONS TO CONCERNED GOVERNMENT AGENCIES/LGUS	CONCERNED PERMITTING, DECIDING, MONITORING ENTITIES
1. That the proponent shall coordinate with DOLE to comply with regulations on occupational health, hazard and safety standards	DOH
2. That the proponent shall coordinate with the local government unit for proper collection and disposal of solid waste	LGU concerned
3. That the proponent shall coordinate with the local government unit for traffic management in the area affected in anticipation of the growth of traffic caused by the project	LGU concerned
B. ENVIRONMENTAL PLANNING RECOMMENDATIONS FOR THE PROPONENT	
1. Close monitoring of the project should be undertaken to maintain a high level of safety and efficiency at all stages of the construction, and to immediately address any environmental hazard/change that may take place.	Proponent

For dissemination and proper action of the parties concerned.
